## YOUNG RED ANGUS

### 5th Annual Bull Sale

**MARCH 27 - 28, 2024**

**BIDDING OPENS AT 1:00 P.M. ON THE 27TH AND CLOSES AT 1:00 P.M. ON THE 28TH  
TRIBUNE, KS**

*Selling:*

*30 Strong Red Angus Bulls*

Bulls are developed on cover crops to insure longevity and peak performance!

# WELCOME TO THE SALE

Welcome to the Young Red Angus 5th Annual Bull Sale! We are excited to present a stellar lineup of Red Angus bulls developed with a focus on performance, longevity, and overall excellence. Each bull in this sale has been meticulously raised on a light grower ration and a mile-long field of cover crops, ensuring they are not only robust but also possess the stamina and strength required for a successful breeding season.

Our commitment to quality extends beyond just physical attributes; it's about providing our customers with bulls that will not only meet but exceed their expectations. We invite you to browse through our catalog and discover the next generation of Red Angus genetics that will elevate your herd to new heights.

Thank you for considering Young Red Angus bulls. We look forward to assisting you in selecting the perfect addition to your breeding program.

Sincerely,

*Jay & Jerry Young Families*

## **SCHEDULE:**

**Wednesday, March 27th**

Bidding Opens at 1:00 p.m.

**Thursday, March 28th**

Bidding Closes at 1:00 p.m.

## **VIEWING:**

Bulls can be viewed at 9:00 a.m. on sale day at the Greeley County Fair Grounds in the Ocie Room/Livestock Pavilion.

## **LUNCH:**

Lunch will be served starting at 11:00 a.m.

## **SALE DAY PHONES:**

Jay Young .....620-376-8593  
Cecil Bailey .....620-874-5241  
Ben Johnson.....620-376-1708

## **VOLUME DISCOUNTS:**

Young Red Angus offers volume discounts for purchasing three or more bulls. Three bulls 3% off, four bulls 4% off, up to 10% off ten or more bulls.

## **RETAINING SEMEN:**

At Young Red Angus will retain half semen interest on all bulls.

## **HOW ARE BULLS ARE RAISED:**

We raise our Bulls on cover crops with their dams until weaning. Afterwards, we give a starter ration for a few weeks. Then, they transitioned back onto cover crops and are giving a growers ration put together by Justin Axman. This year we utilized some stock-piled cover crops mixes as well as triticale, turnips and radishes. Bull received a light ration of silage, rolled corn protein pellets and distillers grain while being able to travel out on the cover crops until mid February.

## **FIRST BREEDING SEASON GUARANTEE:**

Our Bulls are fertility tested and pass a soundness exam before opening day. We guarantee the bull's fertility for the first breeding season. We will also provide a suitable replacement for the bull if an injury or issue keeps the bull from breeding during the first breeding season. Please notify us immediately if a problem occurs, and we will give you a replacement bull or receive full credit minus the salvage value of the bull. Notification before the salvaging of the bull is required. Bulls going to a state that require Trichomoniasis test will be tested before delivery.

## **DELIVERY:**

We offer free delivery on Bulls within 250 miles of Tribune Kansas. Deliveries from 250-500 miles are \$300. At 500 miles we will be setting up drop points that work for both seller and buyer.

Please contact us before the sale day if you are over 500 miles from Tribune Ks.

---

## **AUCTION FORMAT:**

24 hour online auction through DVAuction. Buyers will be able to bid online through DVAuction or via telephone by calling Jay Young or another representative. The auction will last 24 hours. If a bid is placed within 5 minutes of the close of the auction, 5 minutes will be added to the auction until no bids are placed for 5 minutes.

**Can't make the sale?**

**Watch it LIVE and bid in real-time on DVAuction.**

*The Livestock Industry's Leading Online Marketplace*

**DVAuction**  
**Broadcasting Real-Time Auctions**  
[www.dvauction.com](http://www.dvauction.com)

*We are pleased to bring you real-time bidding & a live broadcast of this sale through DV Auction. To watch or bid online, simply complete the following steps:*

- Visit the DVAuction web site at [www.dvauction.com](http://www.dvauction.com)
- Click on the "Register" tab.
- Enter a user name, password and your contact information.
- Click on "Apply for bidding."

*Select the sale from the list of other auctions and click "Apply". Complete the process by filling out the banking and lending information requested. Be sure to include a personal contact at your bank, and we will contact them in order to get a credit reference. If you would prefer to be approved using your credit card, call (402) 474-5557. Please be sure to apply for bidding at least a day in advance of the sale. Every effort will be made to process your application in a timely manner.*

3929 has as good of a cow behind him as any bull in this sale. Turning 10 this year she still has an amazing udder and outstanding feet.

**Texas Hold'em 85-1103**

We have loved using 5L The Real Deal. Texas Hold'em, our high-selling bull from our 2022 sale, is a son of Real Deal. We chose to AI to Texas Hold'em because of his dam's moderate frame matched with an excellent udder and foot quality. We believe he will continue to produce amazing females in line with what we have seen from our own Real Deal daughters.

The dam of lot 7 is another cow that I cant say enough about. If you go back and look at the past 3 sales and everyone has a bull out of this cow. Her son last year had a massive rump on him just like this bull. I imagine 3939 is going to be consistently stamping amazing calves.

(black red carrier) If this bull was red he wouldn't be in the sale. He has caught my eye from a young age and has developed into a true power house. He has as long of a spine as any Sig Sauer bull we have raised. His dam is a 6 year old cow with beautiful udders. 92 ratio on BW to 104 on WW to 108 on YW. You have to love that kind of growth on a heifer bull. He is as gentle as a puppy.

# Research Validates Red Angus as Most-Favored Female

**Ranchers across the country have long recognized the value of Red Angus females as the foundation of a profitable cowherd. Now, independent research validates those years of cattle production experience with tangible data proving the Red Angus heifer's worth.**

## Research Confirmation

Esther McCabe, et al., of Kansas State University, led a study that confirmed Red Angus are the most-favored female in the industry. McCabe and her team compiled five years' worth of pricing data from Superior Livestock Auction, comparing 13,804 lots of heifer calves totaling over 1.2 million head that sold in 116 video auctions.

The research team evaluated the effects of independent variables on the sale price of heifer calves that fell into six different breed composition groups: English, English crosses, English-Continental crosses, Black Angus-sired out of dams with no Brahman influence, Red Angus-sired out of dams with no Brahman influence, and Brahman-influenced.

They deduced that Red Angus-sired heifer calves bring \$5 to \$9 more per hundredweight than all other breed types.

## Rancher Trusted

While market research validates the price advantage of Red Angus heifers, ranchers have tested and trusted her worth on the range for years. Red Angus females are desirable as replacement heifers because they mature into productive mother cows that reward producers with extra dollars in their pockets on sale day.

Red Angus cows have gained ranchers' trust as a complete package through fertility, fleshing ability, good disposition, longevity and excellent overall production. They produce feeder calves that earn premiums in the yard and on the rail through docility, feed efficiency, conversion and carcass merit.

Over the years, stockmen have voted with their checkbooks, purchasing heifers they know will bring profitability to their ranching businesses – and Red Angus females are their most-favored choice. ■

*Independent research studying five years of Superior Livestock Auction data confirms the value of Red Angus replacement females.*

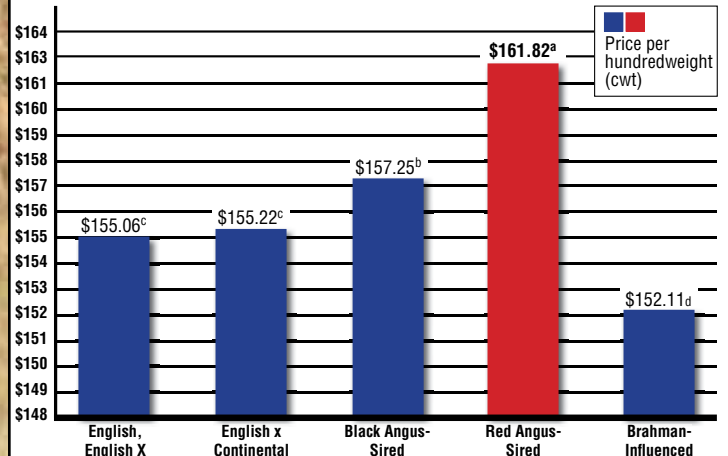

## Red Angus Stockyard

List or locate quality Red Angus replacement females at [stockyard.redangus.org](http://stockyard.redangus.org). Over 20,000 head of cattle are sold each year through the Red Angus Stockyard.

## FeMail

An electronic tool to help locate or market ranch-tested replacements. Market your open heifers, bred heifers or cows, or cow-calf pairs. FeMails are designed for offerings of 25 head of more to complement listings on the Red Angus Stockyard.

## Breed and Gender Interact to Affect the Sale Price of Beef Heifer Calves\*
